These Affidavits certify that all universal service support will only be used by the undersigned carrier for the provision, maintenance, and upgrading of facilities and services for which the support is intended. You may already have received a signed original of the Affidavit from each one of the companies listed above.

The aforementioned carriers have also filed this Affidavit with the North Dakota Public Service Commission, and it is anticipated that the North Dakota Public Service Commission will also certify by October 1, 2008, that the carriers will only use said universal service support for its intended purpose. However, because of the importance of this issue, and the fast-approaching certification deadline of October 1, 2008, the aforementioned carriers are also providing certification directly to the Federal Communications Commission to ensure that the carriers continue to receive the universal service support for which they are eligible.
